RICHMOND
THE AMERICAN
INTERNATIONAL UNIVERSITY
IN LONDON

3 March 1997

Dear Harold,

Hope all is well with both of you. Sorry I have been out of touch.

Nancy and I are enjoying our stay in London. It is a wonderful city with tremendous museums, concert halls, etc. We have tried to take advantage of it all. The college here is fine. Facilities are Spartan, but faculty, staff, and students are fine.

Politics here parallels the U.S. almost perfectly. The Thatcher/Major era that has been every bit as bad for the U.K. as the Reagan/Bush was for the U.S. seems to be winding down, to be replaced by Mr Clinton clone, Tony Blair. The conservatives have done a great deal of damage to the public infrastructure, the railroad system, schools, etc.

I enclose a few tid bits from the local press. Generally, a little better than the U.S. — a little more depth and a little more critical.
